**Carpenters Union Endorse Jason Lewis for US House**

The North Central States Regional Council of Carpenters is pleased to announce its support of Jason Lewis for US House.

“In Jason’s time in Congress he has cast repeated votes in support of Davis-Bacon prevailing wage and has lead on the issue of changing school curriculum to encourage more people to look at careers in the construction industry,” said Adam Duininck, the Director of Government Affairs for the Carpenters Union. “Jason has always had an open-door policy with us and we appreciate the time he has taken to visit our facilities and meet with our members to learn more about the Carpenters he represents.”

The North Central States Regional Council of Carpenters represents nearly 26,000 Carpenters across Iowa, Minnesota, Wisconsin, North Dakota, South Dakota, and Nebraska. As a union, we are dedicated to protecting and elevating the economic and social condition of all carpenters.
